# CLUTHA GOLD Cycling & Walking Trail

▶ Clutha Gold Trail Grade: 1 - 2   Easy

## A journey of discovery...

The Clutha Gold Trail takes you on a journey of discovery through a landscape of outstanding natural beauty between Lake Roxburgh Dam and Lake Waihola Reserve. Ride or walk alongside the mighty Clutha River / Mata-au, into lush green farmland, pass through three railway tunnels, cross new feature bridges and amble over wetlands boardwalk.

Open all year round and taking between two and four days to complete, this 135 kilometre **easy-grade** trail meanders across flat and undulating terrain, passing through a number of small settlements each with its own distinctive character and historic features.

**At your own pace...** Begin your journey at any point along the trail, doing as much or as little as you like. Get the most out of the trail by reading the information panels along the way, showcasing stories of its rich heritage and the adventurous souls who travelled this path before.
